

WEBEL TECHNOLOGY LIMITED

Government e-Marketplace (GeM) hosted the GeM Excellence Summit West Bengal in Kolkata on 02.09.2024 to recognize the exemplary contributions of various stakeholders in effectively utilizing the platform to achieve exceptional outcomes in public procurement. The summit brought together key stakeholders to discuss the evolving landscape of digital procurement in India. Various training sessions were also organized during the day-long event to apprise stakeholders about the latest features, functionalities and updates on GeM portal.

Participation and Contribution of WTL in GeM Summit 2024

- ✓ Webel Technology Limited (WTL) has contributed vastly to the success of GeM in West Bengal on critical foundational aspects such as principal provider for Telemedicine and Primary Healthcare in remote area SSKs to the tune of 83 crores, Dept of Land and Land reforms, Finance, Food & Supplies and Higher Education.
- ✓ WTL has also participated as Seller in pan India auctions and bids on GeM. Active involvement of WTL in Bid, Reverse Auction and Direct purchase is recognized and has been felicitated in terms of total order value which was well appreciated by the Audience.
- ✓ WTL representatives highlighted GeM's features and provided suggestions for improvement and adherence to procurement rules of the Government of West Bengal with respect to EMD, Reverse and Forward Auction, Push Button Procurement, Single Packet Bids, Tender Fees, BOQ, Scope of Work, Eligibility etc which are handled by WTL's commercial operations in coordination with the GeM team.

Shri P. S. Mitra, DGM (Projects) & Shri Aniruddha Ghosh, Manager (Commercial) received award on behalf of WTL
